Beneath Your Mask 17 oz. Nourish Skin & Hair Serum

\$52

I use this Nourish serum all over...hands, face, body and hair. Made with pure plant and essential oils. This oil helps restore elasticity to skin and hair while protecting them from environmental stressors. Pretty much it's perfection.

Balances oil and imparts even, glowing and youthful skin.  
Reduces the appearance of fine lines, wrinkles, scars, age spots & discoloration.  
Treats acne, eczema, psoriasis, dermatitis, wounds, burns, rashes and boils.  
Regenerates cells and repairs skin problems at the cellular level.
